SAD NEWS: Colloquium 2012: Bioterrorism cancelled

After careful consideration, the Mensa Foundation's Board of Trustees regrettably voted on Jan. 31 to cancel the upcoming Colloquium, "Bioterrorism Strikes Home." This event was scheduled to take place May 4-6 in Olathe, Kan. The reason for the cancellation was the low number of attendees who had registered through the end of January, which led the Board to conclude that continuing with the event would be fiscally irresponsible.

END OF TIME Annual Gathering in Reno

The Mayan culture predicted the End of Time in 2012. To celebrate, Mensa is holding its annual convention (called an Annual Gathering or “AG”) in Reno.
