RVC Curt Krambeck

Heartland Mensa Region 7

February can be a tough month. Days are still too short and it's getting colder. I'm sure that's why it has the fewest days in it. Soon it will be March; the sun will come out and start warming us up again. If you feel stuck waiting for Spring to come back, think about touching base with your Mensa friends and family. Some of our in-person meet-ups can slow down this time of year, but you might find some people to talk to on Facebook or Mensa Connect. If you're trying to find the right group or Zoom to join, let me know and I'll see if I can help. If you have an idea and want to set something up over Discord or Zoom, I would be happy to help with that as well.

At the time I'm writing this we haven't had a transfer of power in Washington DC yet, and we don't know who's going to be in the Superbowl. Hopefully it all went well, but I'm pretty sure Region 7 will be represented in New Orleans. Go Chiefs! Another big event coming up soon is our American Mensa Committee Meeting scheduled for March 15 in Hurst, TX. Much like National politics, we sometimes have our little dramas. Our meetings are hosted on Zoom with and broadcast through YouTube for members to watch along if they want. If you follow the "Lead" tab on American Mensa's website you can get meeting agendas, minutes, and a link to the broadcast.

If there is anything from Region 7 you would like me to discuss with the AMC or staff while I'm there, please let me know. If you have any questions or comments, please feel free to send an email or a text. Also, if there is an event or a meeting in your local group you would like me to attend in 2025, let me know.
