RVC Curt Krambeck

Heartland Mensa Region 7

Spooky season is upon us, the time when the veil between the physical and ethereal grows thin. It's a time to honor the family and loved ones we lost, and to ward off the malevolent spirits that might have wandered through. It's a time to enjoy the changing colors of the seasons. It's also the time spiders start coming out. I'm looking forward to all of it. I hope you all have an opportunity to get dressed up, eat some candy, and maybe not run the air conditioner so much for the next few months.

We had a virtual AMC meeting in September, and we're trying to get back to a sense of normalcy after the leadership shake-ups of 2025. We will be holding an online special election through November. The deadline for candidate petitions and the deadline to gather signatures will be October 12. This doesn't affect our Region too much because we don't need a new RVC and we can't add signatures to petitions for other regions. It will be exciting to have a full Board again.

The end of October will also bring us HalloweeM, the Regional Gathering for our neighbors in Chicago. Best of luck to anyone heading back after the great job they did putting together the AG in July.

As a final note, do you know what else starts happening in October? Soup season! Time to get out the crock pots and cozy up with in a warm sweater. If you have any recipes I need to try this year, post them to Connect or Facebook and let us know.
